## New composition for film - My Life as an Artist

Video still from *My Life as an Artist* (2015)

This weekend the Dutch Film Festival will screen *My Life as an Artist* by Quirine Racké & Helena Muskens. This tripartite documentary portrays a show jumper, a dancer and an artist. Each of these women retrospects on their life, passions and early dreams. I contributed small compositions for the piano and baby piano. *My Life as an Artist* was nominated for the prestigious Gouden Kalf competition.

This summer we were delighted to present a new music theater performance for children for the first time. In collaboration with the Dutch Youth Orchestra Summer Academy we created a concert with big and many many small piano's, musical fantasy, sound illusion, dancing and of course with Beethoven. *Voor Elise* came on stage at Akoesticum in Ede and the Posttheater in Arnhem.
